Westcliff at a glance

This exclusive suburb offers a wide range of properties, from Blue Plaque recognised architectural gems to contemporary mansions offering state-of-the-art finishes and amenities, which, combined with Westcliff's proximity to the very best schools in Johannesburg, presents an enticing investment opportunity to families seeking a quality, community-based lifestyle. Nestling against the Westcliff Ridge, properties range in size from upwards of 7000 Sq M stands to the minimum half an acre, many offering wonderful views north to the Magaliesberg or south over the City. The suburb's historical character is carefully protected by a strong residents' association and offers easy access to arterial routes, top medical facilities, universities and shopping centres.
