

Prime Building Opportunity with Established Infrastructure & Valley Views

Exclusively Marketed by Hamilton's - This unique property, though impacted by fire, presents an unparalleled opportunity to build your dream home on an elevated platform with breathtaking valley views. Marketed as vacant land, it offers significantly more than a blank slate, boasting valuable existing improvements and essential services. Key Features & Benefits: • Ready-to-Build Platform: The cleared site provides a solid, buildable platform, saving significant time and expense in site preparation. • Established Gardens & Retreat: Enjoy the tranquility of a beautiful, existing garden, complete with a charming garden retreat hut – perfect for a studio, office, or peaceful escape. • Versatile Under-House Room with Bathroom: A existing room located under the original house footprint features a bathroom which can be used as a future flexible space. • All Services Connected: The property benefits from all essential services already in place, including electricity, water, sewerage,...

Hunters Home at a glance

Knysna is considered the "Pearl" of the Garden Route. It is made up of various suburbs which stretch around our famous lagoon from the Western Heads to the Eastern Heads. Offering activities for all age groups, from hiking, cycling, fishing, boating, walking, bowling, tennis, to the refinement of gentle activity in a lifestyle retirement village. Knysna is a short 60 kms from the George Airport - or the even-closer Plettenberg Bay airport - for those wishing to commute by air. Brenton on Sea hugs the coastline with access to the Brenton beach. There are freehold homes as well as several apartment blocks. While the Brenton on Sea Hotel offers a delightful spot to have meals or an evening drink. Brenton on Lake borders the lagoon with direct access to the water...
