

Prime development opportunity in prestigious Hunters Home

Exclusively marketed by Hamilton's - Rarely does an opportunity like this arise in the highly sought-after suburb of Hunters Home. We are thrilled to present a magnificent, expansive parcel of land exceeding 10,000 square meters, a unique canvas for visionary development. This exceptional property, previously envisioned for 10 luxury retirement homes, boasts a breathtaking natural scene. The established landscape includes indigenous trees like Milkwoods, White Stinkwoods and Essenwoods that are hundreds of years old. The vibrant flora includes ancient Strelitzias, an abundance of Clivias and Staghorn ferns, creating a serene and picturesque environment. For many years, this land has been lovingly maintained as a private park, showcasing the immense care and dedication invested in preserving its inherent beauty and rich flora. Existing infrastructure includes remnants of the road network and several levelled areas, prepared for construction. The property is fully serviced with...

Hunters Home at a glance

Knysna is considered the "Pearl" of the Garden Route. It is made up of various suburbs which stretch around our famous lagoon from the Western Heads to the Eastern Heads. Offering activities for all age groups, from hiking, cycling, fishing, boating, walking, bowling, tennis, to the refinement of gentle activity in a lifestyle retirement village. Knysna is a short 60 kms from the George Airport - or the even-closer Plettenberg Bay airport - for those wishing to commute by air. Brenton on Sea hugs the coastline with access to the Brenton beach. There are freehold homes as well as several apartment blocks. While the Brenton on Sea Hotel offers a delightful spot to have meals or an evening drink. Brenton on Lake borders the lagoon with direct access to the water...
