

5 Bedroom Family Home

 5  2  2

Discover a truly unique property: a spacious 5-bedroom home that offers the ultimate blend of central Linden living and endless possibility. This home is fully off-grid, powered by a 5kva solar system that ensures reliable, cost-effective, and uninterrupted power—a significant benefit in today's world. The generous land size and beautiful, established garden create a private, tranquil sanctuary with vast potential for expansion or creative use. The classic, functional layout places all five bedrooms together in a dedicated wing, separating restful quarters from the communal living areas. The large garden is a dream, featuring a fenced swimming pool and a dedicated lapa area, ready for hosting family and friends. While the home offers a strong foundation, it is perfectly poised for modern updates, allowing you to easily customize it to your personal style. Secure this versatile gem on a prime street and invest in a lifestyle of independence and convenience.
