A modern stunning architectural designed home with all natural light and breathtaking views. The elevated position shows off the unique design of the home and has become a landmark along the Vaal. The home offers spacious open-plan living and entertainment areas and the wow factor when stepping through the front door has to be the glass walls and doors all around accentuating the views. The open-plan layout on the first level creates a real sense of flow, especially with the seamless transition from indoor to outdoor living. The patio offers a seating, dining and built-in braai area. The main bedroom, with direct access to the patio has a spa-like bathroom and dressing area and completes the first level of the home. The second level offers both privacy and space for family members with 4 bedrooms, bathrooms, study/office, and coffee station. A balance of openness and personal, quieter spaces. It is a home where every detail is designed to enhance comfort and lifestyle. The...
