Notable Features Large family home Solar System Heated Pool 57km navigable river Stable & Tack room Jacuzzi A beautiful, spacious home designed with comfort and elegance in mind! The elevated position with sweeping views, an open-plan living area, and strategic placement of windows to let in natural light are standout features. This elevated home offers forever views across the rolling lawns and river and boasts unique design accents. A porte cochere at the main front door leads into a large entrance hall with a fireplace that could be used as a second lounge, then opens into a generous open-plan living area that includes a dining and lounge space with underfloor heating, a bar, a fireplace, and smaller seating areas, all flooded with natural light. Large glass doors lead to an expansive patio, pool, wooden deck, and jacuzzi—perfect for both relaxation and entertaining. Off the main living area is a private study, a well-appointed kitchen, and a private family area separated by a...
