Vaalview at a glance

Vaal River Just an hour's drive away from the frenetic pace of Johannesburg lies the Vaal River, the border between the economic hot spot that is Gauteng and the plains of the Free State. The Vaal River boasts 57km of navigable waterways and is a popular getaway for city dwellers and water sports enthusiasts alike. Many of the most desirable properties in the area feature river frontage. Both north-facing and south-facing stands and homes are available and the options range from apartments within sectional title estates through to expansive "gentleman's estates" covering multiple hectares. Whilst many of the properties dotted along the water's edge are inhabited by weekenders, the infrastructure of the area has developed in recent years - due to the growth...
